

Jeffrey Ramirez

Los Angeles, CA

SUMMARY OF QUALIFICATIONS

- Experience across marketing strategy, business operations, and independent equity research, translating data into decision-ready recommendations
- Built and shipped an automated content pipeline (Flask, Whisper, yt-dlp, Anthropic API) that reached over 1 million views
- Proficient in Microsoft Excel (pivot tables, financial modeling, data reconciliation), R, PowerPoint, and Python
- Strong track record operating cross-functionally with design, research, account, and vendor teams under tight deadlines

EDUCATION

Bachelor of Science in Economics

Expected June 2027

University of California, San Diego, La Jolla, CA

WORK EXPERIENCE

Operations Intern

May 2025 – Sep 2025

LANotify

Los Angeles, CA

- Reconciled and analyzed operational data across inventory and fulfillment processes, identifying bottlenecks and recommending process improvements to leadership
- Coordinated cross-functional projects involving vendors, technical support, and internal stakeholders, owning communication end to end
- Built structured reporting workflows to track customer experience from order confirmation through post-delivery follow-up
- Communicated regularly with external vendors to ensure timely execution and proactively escalate issues

Competitive Sports Supervisor

Sep 2024 – Present

UCSD Intramurals

La Jolla, CA

- Make real-time judgment calls in high-pressure game environments, enforcing rules and safety protocols
- Coordinate with fellow officials and program staff to organize game logistics and manage player escalations

Strategic Marketing Coordinator Intern

May 2024 – Sep 2024

Gunn & Jerkens

Long Beach, CA

- Conducted competitive market analysis across client brand portfolios, synthesizing data into actionable positioning recommendations delivered in weekly client reports
- Led development of brand prototype concepts, building marketing plans from customer research through presentation to senior leadership
- Produced consumer behavior reports for client presentations, translating quantitative data into strategic narratives that informed campaign direction
- Partnered cross-functionally with design, research, and account teams to deliver client-facing strategic materials on tight deadlines

PROJECTS & RESEARCH

CLIPPR — Content Automation Tool

Jan 2026 – Apr 2026

- Designed and shipped an automated TikTok clipping pipeline using Flask, Whisper, yt-dlp, and the Anthropic API
- Identified an opportunity in the creator clipping economy; defined the product architecture, workflow, and directed the build end to end
- Operated multiple TikTok accounts running the pipeline, gaining firsthand experience with the operational realities of content distribution at scale, landing 1M+ views

Airbnb — Independent Market Analysis (8-Page Whitepaper)

2026

- Authored an 8-page analytical whitepaper examining Airbnb's trajectory from founding through current market position, covering business model, competitive positioning, unit economics, and growth strategy
- Synthesized SEC filings, earnings reports, and industry research into a structured written narrative aimed at investor-level audiences

SKILLS

- Marketing & Strategy: Market research, competitive analysis, positioning, consumer behavior analysis, campaign strategy, brand development
- Analytical: Microsoft Excel (pivot tables, modeling, data reconciliation), R, data analysis, financial analysis
- Tools: PowerPoint, Word, Python and AI development tools (Claude Code, Anthropic API)
- Languages: English, Spanish
